CERTIFICATE OF EXISTING DECISION

Date of Certificate: 25 November 2004

The publication, being a Computer Image File entitled: BBSTUFED.jpg

submitted on: 02 September 2004

by: The District Court at Christchurch

has now been examined by the Classification Office. Although it has a different title, it is identical in content to a publication previously examined by the Classification Office (Reference Number 9902296), and classified "Objectionable" under the Films, Videos, and Publications Classification Act 1993. The Classification Office certifies that this decision is still in force:

Previous decision in force: Objectionable.

A certified copy of the entry of that decision in the Register of Classification Decisions is attached.

Date: 25 November 2004
